1a — Looks like you're well on your way to a decent level of command line proficiency. Presentation is nicely done too. Also, we know you successfully did your DIY repository from two years ago (*two years ago!*) so we will stick with that. (|)

4d — No problems with looking up information and restating them. (+)

4e — Version control frequency and messages are appropriate for the work done. (+)

4f — Assignment done on time. (+)
